Here is your new Illinois Cares Rx Card. You may start using this card to get your prescriptions on .

If you are eligible for Medicare, you must get your prescription drugs through a Medicare Part D Prescription Drug Plan coordinating benefits with Illinois Cares Rx. Illinois Cares Rx will wrap around Part D and pay some of the drug costs that Medicare does not.

If you are not eligible for Medicare, you will use your Illinois Cares Rx card to get your prescription drugs. For the first \$1,750 in benefits you get in a calendar year, you must pay \$2 for each generic and \$5 for each brand-name prescription. After that, you pay the copay plus 20% of the cost of each prescription.

Read the notices sent with this card for other important information.

Outpatient Prescription Drug Benefit Only.

**Seniors who have questions, call:
1-800-226-0768 or TTY 1-877-204-1012**

**Doctors or Pharmacists who have questions,
call: 1-800-842-1461**
